E. Stoley seconded. The motion carried with all in favor.

**OTHER BUSINESS**Vehicles Parked Along the Street During Plowing

There are still vehicles parked along the street during the last two snows. It was the consensus of Council that the autodialer be used as a reminder that vehicles need to be removed from the street when a snow emergency is declared and that the police will be issuing a warning for the first violation and then a citation for the second violation. This item was in the newsletter that went out in late November. Council would like the autodialer used each time a snow emergency is declared.

Liquid Fuels Funding

E. Stoley read in a recent transportation newsletter that under the new highway bill liquid fuels funds will be disappearing in five years but failed to mention what will happen in the meantime. A letter will be sent to Rep. Miller to ask for more information.

**ADJOURNMENT**

E. Stoley moved to adjourn the meeting at 7:30 p.m.

C. Munch seconded. The motion carried with all in favor.
